Quaker State® Ultimate Protection Full Synthetic motor oil is the best Full Synthetic motor oil in the Quaker State family of products and is specially formulated to help provide optimal engine protection for modern and turbocharged engines.

**PERFORMANCE, FEATURES & BENEFITS**

- Provides the best wear protection in the Quaker State® family.¹
- High resistance to oxidation, keeping the oil fresher for longer.
- Reduces friction to maximize horsepower.²
- Superior lubrication flow and pumpability at high and low temperatures.²
- Provides improved fuel economy.³
- Excellent protection against the formation of sludge and harmful deposits.⁴

1 Compared to industry standard Sequence IVA
2 Compared to Quaker State® motor oil
3 Based on latest industry standard
4 Based on Sequence IIIH & VH tests on 0W-20 engine oil

**MAIN APPLICATIONS**

Always consult your owner’s manual for the correct viscosity grade and performance recommendation required for your vehicle.

**SPECIFICATIONS, APPROVALS & RECOMMENDATIONS**

Exceeds the requirements of the following industry and OEM specifications:

- Chrysler MS-6395
- GM 6094M
- API SP-Resource Conserving and all previous Categories
- ILSAC GF-6A and all previous ILSAC Standards

To find the right Quaker State product for your vehicles and equipment, please consult www.quakerstate.com to look up the right motor oil recommendation using our oil selector.

For a full listing of equipment approvals and recommendations, please consult your local Technical Helpdesk.

These characteristics are typical of current production. While future production will conform to Quaker State’s specification, variations in these characteristics may occur.

HEALTH, SAFETY & ENVIRONMENT

Health and Safety

This product is unlikely to present any significant health or safety hazard when properly used in the recommended application and good standards of personal hygiene are maintained.

Avoid contact with skin. Use impervious gloves with used oil. After skin contact, wash immediately with soap and water.

Guidance on Health and Safety is available on the appropriate Safety Data Sheet (SDS) which can be obtained from https://www.epc.shell.com

Methods of Disposal

Safety data sheet available on request. For Health Emergencies or Consumer Information call 1-877-276-7285.

Protect the Environment

Take used oil to an authorised collection point. Do not discharge into drains, soil or water.
